

WOMAN SEES IT

AS A
Rheta Childs Dorr

Any large convention of women is important. It was important years ago that the Woman's Christian Temperance Union used to get together, a few hundred, more or less, and hold conventions in behalf of a reform that seemed almost comic at the time. The Woman's Christian Temperance Union, with its single track utopian dream, was almost the only idealistic organization existing in a period which for crass selfishness and lack of social spirit cannot be matched in the country's history.

The first suffrage conventions were important, even in the years when to be a suffragist was to be classed with circus freaks; even through the succeeding years of dullness, when meetings were held in small rooms with only a few true believers present. Suffrage conventions have become increasingly important, as have the federated women's club conventions. The immense publicity given the women in the public press is sufficient indication of this. But by far the most important gathering of women the world has ever witnessed was that of the women voters of twelve states held in Chicago on the evening of June 5 for the purpose of organizing a women's political party. With one or two exceptions, every woman who participated was, in her own state, and in a number of others, the political power of men. The combined strength represented by these women is nearly \$4,000,000.

The Woman's Party pledged itself to one policy—securing a federal suffrage amendment giving all American women political equality. This is the largest enterprise women have ever undertaken—and the easiest. They have only to unite and cast their ballots in next November elections in on great rebuke to the party in power. A single blow would be all-sufficient. The new Congress would pass the federal suffrage amendment. The state legislatures would ratify it. They would have to in the interests of national political stability.

It seems too bad that women have to do a thing like that—a thing so opposed to all their inclinations. One would think that the political leaders would surrender to a power which demonstrated itself invincible before the power was applied. But the fact is that the leaders do not understand. They do not yet realize that women in numbers are voting.

In primitive tribes, and to a certain extent in semi-civilized tribes, the women possess a secret language which is spoken among themselves, is handed down from mother to daughter, and is entirely unintelligible to the men. It appears that women, all these years in America, have been speaking, in their conventions, a language the men did not understand.

The women therefore have decided to speak a language they do understand. When a political party has been defeated—and it can be defeated by the votes of women, when a whole national program has been scrapped, the political leaders will at last understand that what women want they will surely get; and that is selfishly refused them they will ultimately take.

West Virginia Briefs

MOUNDSVILLE: M. Z. White, warden of the state penitentiary here, has just completed his first biennial report of the state board of control, which shows the greatest profits from the institution in its history. During the last two years, the prison earned in round figures \$100,000 and prisoners received \$74,314 in pay. Both figures represent increases of fifty per cent over the biennial period with the next best record.

fair and the Fairmont chamber of commerce have approved plans for a special election to vote on the issuance of \$900,000 in bonds for a new concrete bridge across the Monongahela river, a new South Side bridge, a new sewerage system, more street paving and the retirement of outstanding bonds.

PARKERSBURG: Work is being rapidly pushed on the construction of building for the Fuel City Manufacturing Company's plant, which has been moved here from Clarksburg. The main building, 60x150 feet, is about finished. The company uses sheet iron furnished by the Parkersburg Iron and Steel Company and manufactures door knobs, drip pans and other articles.

CHARLESTON: Reports from 17-ly-two counties of the state on vital statistics for 1914 have just been totaled at the state health department, showing 25,465 births and only 9,432 deaths during the year, a discrepancy that shows the glaring inadequacy of the law requiring the registration of vital statistics.

WHEELING: John Dixon, a native of Ireland but a resident of this country for sixty days, has just celebrated his 101 anniversary of his birth at the home of a son here. He is almost blind and quite feeble physically but as alert mentally as a man 50 years old.

CHARLESTON: The Kelley's Creek Colliery Company and the Kelley's Creek and Northwestern Railroad Company has announced it will permit the wives and families of National Guardsmen who have been called to the border to live in the houses of the company without paying rent. J. W. Dawson, general manager of the company, also issued orders requesting the wives and children to apply to the officers of the company for such assistance as they may need during the absence of the soldiers.

KEYSER: Following the tour of John D. Rockefeller, Jr., and President Carl Gray of the Western Maryland and Railway Company, over Northern West Virginia, and Western Maryland, it is believed plans have been tentatively decided upon to erect an extension to the car shops at Ridgeley, to cost about \$150,000.

CHARLESTON: An alternative writ of mandamus has been awarded by Judge James H. Miller, of the ninth circuit court on petition of counsel for Attorney General A. A. Lilly to require the county court of Monroe to count certain ballots cast in the primary election June 6. The writ is returnable July 11 at Union, before Judge I. C. Herndon of the circuit court of Monroe county.

FAIRMONT: Committees have been organized to start out on a campaign to subscribe a fund of \$50,000 for the Presbyterian church, which it is proposed to build here. Eight teams will start out tomorrow morning, headed by former Governor A. B. Fleming and J. M. Hartley as "brigade" generals.

CHARLESTON: Methodists of the Charleston conference district convened in annual session here today. Sessions will be held at the First Methodist Episcopal church until noon Thursday. Sixty representatives of the thirty or more churches are expected to attend.

ELKINS: Work will soon be started for the construction of roads for which the Lewisville district voted \$220,000. The adjoining district in Barbour county has voted \$100,000 in bonds to extend the good roads in that direction, and in a few weeks Beverly district, in Randolph county, will vote on another issue of \$100,000. Randolph county is noted for its beautiful scenery, and it is proposed to make the good roads here a part of the great system known as the Appalachian highway, from Bristol to the Great Lakes, branching two routes from Elkins, one to Oakland, Md., and the other to Pittsburgh.

HUNTINGTON: Following Governor Hatfield's call for recruits to bring the national guard of this state up to its full strength, hundreds are enrolling at the recruiting stations here, at Charleston, Parkersburg, Spencer, Ravenswood, Williamson, Fayetteville, Welch and Bluefield.

CHARLESTON: Choice of teachers and plans for the improvement of work at state schools were discussed at the meeting of the state board of regents, in session here. The sessions

KIDNEY PILLS

Sold at Burke's Drug Store Relieve Mr. Fansler and He Feels Much Better.

Burke's Drug Store.
Dear Sirs:
I have suffered for over a year with kidney trouble and dropsy. My feet and legs were badly swollen at times. I could hardly walk about the house. I tried several doctors but could not get much relief until I started to use Burke's Kidney Pills. The first box helped me so much that I feel like a different man. I can recommend them to every sufferer of kidney trouble or dropsy.

July McCall's Patterns

::: New White Dresses Just Received :::

We want you to go up to the ready-to-wear department when in the store today or tomorrow, and let our saleswomen show you the most beautiful line of White Dresses ever displayed in this town. This is no idle boast, we have the goods and we want to tell you about them and if you need a pretty new dress, why, we want to give you the privilege of selecting your wants from a line that has no peer anywhere in the country. You will find many lines that are larger, but nowhere will you find a line of dresses more stylish and made from a better line of materials than the line displayed here.

These garments were made for us by one of New York's best makers, who caters exclusively to the better trade, and who sells every dollar's worth of his merchandise through his city salesroom. We are compelled to make special trips to the city in order to select these garments, and this insures to our customers a line that will be found nowhere else. Prices are very low considering the qualities and workmanship, \$5.00 to \$16.50 according to the materials used. Sizes from 16 years to 44 bust, and no extra charge for extra sizes.

A beautiful line of Lingerie garments being shown in our Undermuslin department. Ask to see these goods today when in the department. Beautiful line of wash Shirt Waists also being shown at all price from \$1.00 up.

We want 50,000 people to see and walk over the Anglo-Persian Wilton Rug which will be placed on the sidewalk in front of our store on next Saturday, July 1st, and will remain there for seven working days during business hours. We want to show you what a good rug will do, and what it will stand. See it in the window today, and watch these columns for further data.

will close Thursday. Wednesday and Thursday will be devoted especially to the needs of the six state normal schools.

CHARLESTON: Dogs must be kept muzzled throughout the summer months by order of the police department. Rabies has been reported to the state health department from Wood and Boone counties.

OIL AND GAS DEVELOPMENT OF TRI-STATE

Latest Reports of Operations in West Virginia, Pennsylvania and Ohio.

Dusters and light pumps were the first of the week offering in eastern fields. They are pretty well distributed through southwest Pennsylvania, West Virginia and southeastern Ohio. In the Burning Springs district, Wirt county, W. Va., Roberts Brothers completed and shot No. 91 on the Rathbone tract and secured a light pump in the first Cow Run sand. In the same district the South Penn Oil Company drilled a test on the A. J. Pettit farm through the Keener sand and found it barren.

In the Big Injun sand development on Fishing creek, Green district, Wetzel county, the Wildwood Oil Company's No. 6 on the S. L. Morgan farm is a light pump in the Big Injun sand. The Morgan Oil and Gas Company's second test on the Leonard Morgan farm is very light. In the same district the Silver Hill Oil Company has drilled a second test on the L. P. Kocher farm through the Gordon sand and scored a duster in all sands. C. McCormick and Company completed a test on the Snodgrass farm and it is a duster in the Gordon sand.

Ritchie County (Continued).
In the Hughes river pool, Clay district, Ritchie county, Duffenbaugh, Barnhart and Moore drilled a test on their own farm through the Big Injun sand and it is showing for a fifteen or twenty-barrel producer. On Indian creek, Murphy district, Pariah and Grove have a ten barrel salt sand producer at No. 3 on the A. W. Smith farm. In the same district, it, E. L. Frymier got a Big Injun sand gasser at his second test on the C. A. Wilson farm.

On Big run, McElroy district, Tyler county, the Manufacturers' Light and Heat Company's second test on the L. E. Mayfield farm is a fair gasser in the Gordon sand. On Big Flint creek, Grant district, Doddridge county, the Hope Natural Gas Company's test on the McMillan farm is a gasser in the same formation. On Cabin creek, Central district, the Carnegie Natural Gas Company drilled a second test on the Ross heirs' farm through the Berea grit and found nothing.

Fair Producer in Harrison County.
On the West Fork river, Union district Harrison county, the Philadelphia Company drilled its No. 4 on the Mary L. Young farm into the Gordon sand and it is showing for a forty or fifty barrel producer. This is the best showing made by any of the late completions in this district. On Birch run, Birch district, Braxton county, Ira G. Sawyer completed a test on the H. B. Mace farm and found nothing. On Devil Hole run, Grant district, Ritchie county, R. G. Gillespie's No. 21 on the M. D. Cowan farm is a light pump in the Big Injun sand. On Stout's run, Union district, Pleasants county, Snyder and Company gave their test on the DeLong farm a second shot, but it failed to respond and has been abandoned.

The Sleepy Oil Company's No. 11 on the N. S. Mowery farm, located on Stillwell creek, Union district, Wood county, is very light in the second Cow Run sand. On the same stream and in the same district, George Rassel's No. 5 on the H. S. Dye farm is a six-barrel pump in the same formation. Watterson and Brown drilled their test on the Eliza-Sweeney farm, located in Clay district, through the second Cow Run sand and found it barren.

On Miracle run, Battelle district,

Monongalia county, the Carnegie Natural Gas Company has a good gasser in the Big Injun sand at the B. Parks farm. In the same locality the Hope Natural Gas Company's test on the Pursley Smith farm is a gasser in the same formation. On Raven run, Harper district, Boone county, the Jarvis Oil Company's test on the M. J. Ryan farm shows very little oil in the Big Injun sand.

Southeastern Ohio.
In Salem township, Monroe county, O., McArvis and Company have a fair gasser in the Big Injun sand at a test on the Smith farm. In Green township the Schram Oil Company's test on the David Mowder farm is dry in the Berea grit. This location is 2,000 feet southwest of production.

In the Rindard's Mills district, Ludlow township, Washington county, Graham, Hall and Company have completed a second test on the Hood farm and it is a five-barrel pump in the Horse Neck sand. In the deep sand territory, Reading township, Perry county, O., the Carter Oil Company has started a test on the C. H. Higgins farm. In Licking township, Muskingum county, the Columbus Oil and Producing Fuel Company has started to drill a test on the Ohio state canal lands, located 1,500 feet southeast of production on the Samuel Frazer farm. In the same township, the same company has started to drill a test on the Walter Stump farm.

Southwest Pennsylvania.
Light wells are the rules in local fields. In Green township, Beaver county, the South Penn Oil Company completed No. 19 on the Calhoun estate and it is showing very light. In the Mt. Morris district, Green township, Jesse L. Gerard has a duster at No. 29 on his own farm. In Dunkirk township he has the same kind of luck at No. 27 on the D. Garrison farm.

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE, RELIABLE WAY.

People who are over-burdened with superfluous fat know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from Brand's Drug Store, or Farrell's Drug Store, or any good druggist, a box of oil of korein capsules; take one after each meal and one before retiring at night. Watch yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, and helps digestion. Even a few days treatment has been reported to show a noticeable reduction in weight, foot-steps become lighter, your work seems easier and a lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial.—Advertisement.

PAIGE FILMS

At the Bijou Theater Prove a Wonderful Lesson to Hundreds of People.

Hundreds of people who thronged the Bijou theater Monday afternoon and night to see the films showing how the Paige-Detroit Motor Car Company manufactures Paige cars were well repaid for their time. The pictures were filmed in the great Paige plant at Detroit and they show step by step the manufacture of the modern Paige car until it rolls away under its own power.

Many who saw the pictures pronounced them as interesting as a visit to the factory, and even more so, many details of manufacture were shown in the films that would be overlooked in a personal visit through the mammoth factory.

The Paige Motor Company with display room and office on Second street, of which J. L. Mann is manager, is exclusive agent for Paige cars in this territory, and those who saw the pictures Monday now know why Mr. Mann always refers to the Paige cars as "The Standard of Value and Quality."

How's This?

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.
F. J. CHENEY & CO., Toledo, O.
We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.
